

TS318S COVER

SPEAKER COVER

Durable, padded speaker cover tailored specifically for the TS318S

Top and side cutouts give easy access to TS318S's integrated handles

TS318S COVER

SPEAKER COVER

Your TS318S Sub lays down the perfect rock-solid bass foundation for your sound. You should treat it like the valuable partners that it is. Alto Professional's durable, padded subwoofer cover is tailored specifically for the TS318S, slipping on easily and providing great protection from the bumps and bruises of everyday use, so you're ready to endure all the rigours of the road. Top and side cutouts give you easy access to the speaker's handles, so it's not only protected, but also easy to carry.

FEATURES

- Durable, padded speaker cover tailored specifically for the TS318S
- Top and side cutouts give easy access to TS318S's integrated handles
