BT8569

MOTORISED HEIGHT ADJUSTABLE FLAT SCREEN FLOOR TO WALL STAND

BT8569 is a modern floor to wall solution designed to mount large screens up to 86". Electronic height adjustment enables effortless raising and lowering of the screen via a wired control panel, with an adjustment range of up to 650mm. BT8569 is ideal for mounting interactive touchscreens into education and corporate environments and is capable of supporting loads up to 100kg. The mount has a modern design and features a simple hook-on installation for quick and easy screen fitting.
