BOOKSHELF LOUDSPEAKER

Experience the ultimate in audio performance with Elipson's Legacy range.

The Elipson Legacy 3210 bookshelf loudspeaker is the first model in the Elipson Legacy range, which also includes two floorstanding loudspeakers, the Legacy 3220 and the Legacy 3230, the brand's flagship.

Compact in size, it has all the qualities of the top models : fast, bright, with an airy, precise soundstage. It also offers a deep, articulate bass register, rare in this loudspeaker format.

The Legacy 3210 is a 2-way model with a 6,5" diameter bass/midrange driver and a wide dispersion AMT tweeter.

Built with the utmost care and attention to detail, Elipson's French loudspeakers embody elegance, sophistication and superior sound quality.
