

AOC HDMI A male / HDMI A male cable - 4K - 5 m

Ref : 726872 EAN 3700117268726

AOC (Active Optical Cable) technology : a hybrid technology which blends copper (for power supply and CEC) and optical fibre (for audio and video stream). The sockets are equipped with printed circuit boards which convert the signal)

- HDMI 2.0 certification obtained from an ATC laboratory approved by the HDMI consortium
- Maximum resolution: ULTRA HD 4K - 3840x2160p @ 60 Hz - HDR 4: 4: 4
Bandwidth: 18 Gbps
- Gold-plated connectors - metal sockets - reinforced shielding
- Ultra-flexible and reinforced sheath: ensures excellent flexibility and great resistance to twisting
- HDMI D / HDMI A adapter to facilitate passage through the ducts
- Cord diameter: 5.2 mm
- Socket dimensions: 48 x 19 x 8 mm

TECHNICAL FILE

Product type	Cable
Connector A	HDMI A - Male
Connector B	HDMI A - Male
Protocol	HDMI 2,0 certified
ARC (Audio Return Channel)	Yes
CEC (Consumer Electronics Control)	Yes
Finish	Gold plated connectors
Conductors	Copper (OFC)
Cable length (m)	5
Resolution(s)	ULTRA HD 4K - 3840x2160p @60Hz - HDR 4-4-4
Warranty	2 years

Also available in lengths of :

10 m	726873
15 m	726874
20 m	726875
50 m	726876
100 m	726877
