

APart MB19
19" RACK HOUSING

The MB19 is a robust metal 19" housing for up to 6 modules of the APart Soundblock series (MB150 - MBR150 - SB160 - SBR160 - DT150 - PAM7.2 - MEQ5.2).

It is 4 rack unit high and is painted in black.

If the housing isn't completely full, the empty spaces can be filled with the APart Soundblock blank panels (Ref; MB-BL).
