

EN-CM5T6

EN54-24 CERTIFIED
5" LOUDSPEAKER

EN54-24 CERTIFIED

The Apart EN-CM5T6 is a 5" built-in ceiling speaker made of powder coated steel (RAL 9010 equivalent), equipped with a high efficiency full range speaker and a multi tap 100 volt transformer, all certified according EN 54-24.

The unit is equipped with a ceramic speaker line connector block, thermal fuse and a metal fire dome.

The installation of this speaker is easy thanks to the spring loaded clamps and the included PG16 cable gland. The speaker with its excellent intelligibility is a perfect budget oriented solution for background music, paging and evacuation systems messages. This 100V speaker is equipped with a reliable 1.5 – 3 – 6 watts 100V transformer.
